

## The Parsons Animal Rescue Foundation Adoption Application

Thank you for your interest in adopting a horse and/or farm animal! We often receive a lot of adoption applications. Only successful applicants will be contacted. Please fill the application out thoroughly so that we have all of the information needed for making adoption decisions. Please note that we cannot hold animals and that each animal will be adopted out to the first suitable home available.

Please also note that at the end of this application, photos and/or videos of the facilities MUST be submitted in order for your application to be considered. Home-checks are usually required, and will be carried out on a case by case basis at this time due to the Covid-19 pandemic.
